GACC'S ANNUAL "EDUCATION MATTERS" LUNCHEON

GREATER
ALBUQUERQUE
CHAMBER OF COMMERCE

"Rising in the Ranks: Lessons from Mississippi's and Maryland's Education Reform Strategies"

Featuring:

Dr. Carey Wright

Architect of the "Mississippi Miracle"
and Current Maryland Superintendent of Schools

DR. CAREY WRIGHT

Maryland State
Superintendent of Schools

Interested in improving education in New Mexico? Join us to hear the inspirational story of how Mississippi's public schools vaulted from among the lowest-performing in the nation to among the very best. For those who question whether large-scale school turnarounds are possible in high-poverty states, Dr. Carey Wright's explanation of the "Mississippi Miracle" is a must-see event. Now the top education official in Maryland, Dr. Wright will offer practical advice on how to change an education system's expectations, policies, and practices in a way that will lead to significant improvement in student literacy and math performance.
